Great turnout at the Family Readiness Group meeting last Wednesday! Thank you to all that attended to welcome the new families. As a relatively small unit with a high deployment tempo, we all benefit by getting to know each other a little better. FRG functions at Team, Detachment, Troop, and Unit level make JCU a better unit and help families transition to a new town easier. Every new family will be with the Unit for the next four to five years. Historically, that's a long time to be with one organization in the military and plenty of time to build lasting

friendships. Thanks to all that put the event at the Staff Annex together (we'll order more pizza for the next one).

The next big event is the Unit Picnic in August (details in the Newsletter). Like all events put on by the JCU Activities Club, it will be a great time. The picnic is just the beginning of JCU gatherings over the rest of the year. Put all of them on your calendar and we'll see you there.

I am writing this letter from overseas while visiting deployed unit members. They all continue to perform superbly and make a huge contribu-

tion on a daily basis. I am amazed at how each location changes so much in between visits. The work never seems to stop or even slow down. Great leadership at the sites and in the troops keeps the toughest job in communications looking easy.

JCU makes a difference every day. I'm proud to be associated with the unit.

Thanks to all of you,
Jack Arnold

JCU Spouse's Brief

The JCU Spouse Brief was held on 23 July. We want to first thank everyone that attended, we appreciate the time you took out of your busy schedules to join us. The meeting was a good start to hopefully more frequent meetings. To all of those who filled out a survey, Marsha has read each and every one and will work with the Com-

mand and Key Callers regarding all your suggestions, comments and concerns. Rest assured the command wants nothing more than to support the families of this great unit. I didn't realize what a hungry bunch the SOROC Class was so therefore we were a little short on pizza. ISG Nichols needs to feed the guys on the range prior to the next event!! We also had a raffle that took place at the end of the meeting.

Unfortunately, most of the spouse's had already left, so I would like to apologize for not announcing the raffle sooner. Congratulations to Mrs. Shani Zimmerman and Mrs. Michaela White. They were the winners of the \$25 gift cards for Ruby Tuesday Restaurant. Thanks again for supporting this meeting and we look forward to an even larger showing in the future.

Hello all, This will be my last entry as the Troop SGM for A-Troop. I wanted to take this time to publicly thank each one of my guys and their families. To the fella's, thank you for a great 2+ years. It has not been without struggle or hardship and that is what has made us strong over time. I have been fortunate to have the absolute best guys in the Troop which has allowed our Troop to become what it has. It has been my distinct honor that I was allowed the opportunity to be placed in this position and work with some of the best com-

municators in the world.. A-Troop is what it is because of your hard work, determination and lastly, the inner discipline that you all possess. To the families, I would just say thanks, but that is such a meaningless word when it comes to my true feelings. I have asked for much and given little. You have selflessly given up your husbands to me over time. They have missed anniversaries, birthdays and almost births. History has shown that when a guy overly worries about his family he does not function as well. The guys func-

tion well because they know you are behind them 100% and therefore focus on their job. This may seem like nothing, but it has been our foundation. With every sad ending there is a happy new beginning. Good luck to Chris Leach and his wife Kim as they start the next chapter in the A-Troop saga. Chris has been with me over the past 2 years and a JCU member for more than 9 years. He will continue to grow and mentor the next generation of "DoD's Finest Communicators". Thanks for the memories, and never forget what you mean to this unit and our country.

Matt Jeffcoat gets a helping hand from teammates John Vasquez and Ken Vaillancourt at the Leadership Reaction Course on 19 June.

I got to take a quick trip out this month to see some of the fellas. I'd like to thank Pops, Casey, and Paul for putting up with me and Christian for squaring me away while I was out there. Those guys are doing an awesome job and the site has never looked better. Congratulations to Joe Miller on his selection as the Quarter, second quarter; hopefully now he'll stop poking me in the eye with that nub finger. Please make sure that your personal information is up to date with your FRG key caller and your Troop Leadership. If you don't want to receive emails or calls unless there is an emergency that is fine we will put a note next to your name. It is important that your emergency contact information be up to date so that if we need to contact you, we can. - Mike

Congratulations to Mikey and Rebecca Fowler on their recent marriage, we welcome them to the LNO family. We would also like to extend a warm welcome to the Troop's newest members out of SOROC class 1-07. You have completed the first of many hurdles in becoming one of DoD's finest communicators

however your training has just begun. Prepare yourselves for the many challenges that await you and continue to show why you have been chosen to be a part of this unit.

Congratulations also go out to Edwin Schlade III who was recently selected as

the JCU AF NCO of the quarter and continued on to be selected as the command's Air Force Noncommissioned Officer for 3rd quarter 2007. Jake Carlisen completed the Leading Petty Officer Leadership Course held in Dam neck, Virginia and Douglas Rosario completed an Advanced driving skills course in Melbourne, Florida.

C-Troop Cont.

I would like to thank all the family members who participated in the unit's most recent Family Readiness Group meeting held at the cozy staff annex. Special thanks go out to Melissa Kouw, C Troop's key caller and all the other spouses that helped to make the event a success. We hope to see an even better turn-out at our next one. As a reminder, we are looking forward to seeing everyone at Fantasy

Lake on 10 August for the unit's annual summer picnic, it's sure to be a good time. Be sure to come out and enjoy a day of fun in the sun.

C Troop follow-on mission

Hello all D Troop families! Hope everyone is enjoying their summer so far. First and foremost we would like to welcome back a member of our family, Joe Kelly. He just returned from a 6 ½ month long trip overseas and we are grateful for his safe return and for the remarkable job he did while he was deployed. Joe is a perfect example of why we are known as DoD's Finest Communicators. Welcome

back Joe! Unfortunately, with every return we have a departure and in this case we have two. Derek Hollingshead and Stacey Lewis recently departed for four month tours overseas. They are both doing fantastic things! Please keep them and their families in your thoughts and prayers. And for all of our D Troop families, thank you for your continued support! --Carleen

SK1 Michael Larson working hard on a hot summer day in the supply shop

This month E Troop personnel have been taking a lot of their annual leave. Scott Bachand has spent some time enjoying the sun and nightlife of San Antonio, TX and then some additional time doing a site visit in Virginia. Jason Proskovec spent the first week of July on quarters recuperating from some sort of infection in his leg. He claims it was caused by a bad landing on a jump, but that sounds a little suspect. One has to wonder what he was up to in Arizona. He is spending most of the rest of the month on leave relaxing on a lake in Pennsylvania with some friends. Sam Stanley took 2 weeks of

vacation and has spent it doing home modifications. I am sure after two weeks of working around the house Sam will be at work early on his first day back. In addition to all of the leave taken we still have Sergio Hernandez relaxing down at Ft Gordon, GA on an extended vacation to attend ANCOC. Mike Martinez is currently pulling his first rotation and since Scott Redinbo hasn't been complaining we are fairly certain he is doing a good job. This has left the Marines behind to tend to the daily duties within the shop. Semper Fi! Hal Flynn has been furiously working to ensure that our lab is

built with all of the latest images. Well it seems that even though Jeff Bowler was excited about us getting an enclosure on our building it wasn't enough to keep him happy. Unfortunately Jeff Bowler took another job. He will be working for Wexford Group in Southern Pines. Things will never be the same in E Troop, but Jeff has left us quite a few sayings. We tried to talk him into staying, but the new position provided a latrine in the same building and we just couldn't compete. Since a new CNO Course started this month, Jeff leaving has left the entire job of teaching to Rob Barnard and Shannon Hook. That is a huge task because I am a student in this class and I am sure I will need some special attention.

Well, we finally had the long awaited party. Heather, I'm sorry you and the family were unable to attend. Don't worry though, we'll do it again and I'll make sure it is when you can make it. A good time was had by all. It was sure to happen and it did. As soon as I turned my back away from the sno-cone machine, Eddie and Ozzy were making beer sno-cones. Gotta keep my eye on them! I included a picture of the gang, with a few old-timers. Also pictured are Julia, Molly, and Berkeley. The kids had a great time on the wa-

SELECTION & TRAINING

SOROC class 01-07 is graduating 7 Aug 07. They are currently participating in their culmination exercise KRAFT ELDER. SOROC class 02-07 has already begun land navigation, combat lifesaver, and field training exercises. Experience was on the side of the senior SOROC class as 01-07 demolished 02-07 in the SOROC broomball contest by a score of 6-1. However, thanks to the outstanding defensive efforts of SSgt Zimmerman, 02-07 only lost by 5 goals. This week 02-07 completed shooting familiarization at the range, and will continue shooting next week at Trigger Time. We currently have 22 SOROC students in class 02-07! Welcome aboard! — Jack Nichols

This new section will be featured in future newsletters. It is a look back at some of our members before military regulations and all those rules. Stay tuned for the answer posted in next months edition.

JCU Family Spotlight

Hi, my name is Gillian Long. My husband is Master Sergeant Steve Long and he is the JCU Recruiter. Steve has been in the Army 19 years and we have spent 13 of those years right here in JCU. I am originally from Buffalo, New York and Steve is from Clover, Virginia. We first met at Ferrum College in Virginia. Steve and I have been married for 20 years and we have 3 beautiful children. Twins Cassidy and Harper are 7 years old and are going into the second grade. Caleb is 6 years old and will be going into the 1st grade. All 3 children attend Glendale Acres Elementary School. We currently live in Hope Mills and really enjoy it here. Our house is a regular zoo with 2 dogs, 1 cat, 1 bird and 3 fish. I work as an Area Manager for Enterprise Rent A Car and have been with them for 15 years. In our spare time we have Friday family night. We go bowling, ice skating, to the movies, and we love to go camping!! What I like most about JCU is the tight knit community we are. I know if I need help my JCU family is only a phone call away and I like being on the other end of that call as well. I like knowing that life is busy and I don't always get to talk to my friends on a regular basis but if I need them they are there! Fayetteville has most amenities of a big city but the feel of a small town. I have gotten involved in the United Way, the Boys and Girls Club, and Habitat for Humanity. I have found it very rewarding to become involved and help our adopted community. I have enjoyed meeting people and developing life long friendships.

Hello! My name is Renee Hays and my husband is Paul. I'm from Twinsburg and Paul's from Stow -both in Ohio. We met while we were in high school and will be married six years this September. Paul is a Petty Officer First Class and August will be his eighth year in the Navy. His first duty station was Yokosuka, Japan. I was able to visit him twice before getting married and moving to Japan halfway through his three-year tour. Our second duty station was Naples, Italy, then we came here to JCU and Fort Bragg. Paul completed SOROC in August 2006 and now is in B-Troop (AIS). Last year, we purchased a new construction home (our first home) in Spring Lake. We have three cats—PJ (Puddles Jr.) and Princess, who we adopted in Japan and have been around the world with us; and Sienna, who we adopted here in North Carolina. Paul and I love to travel, bowl, watch movies, and hang out with family and friends.

Hi! My name is Crystal Castro. My husband Jesus Castro is an IT Petty Officer First Class in the Navy. He is currently assigned to A-Troop. I am originally from Washington State and Jesus is from Brownsville, Texas. I spent 5 1/2 years in the Navy as a Corpsman. Jesus and I met while we were stationed in Lamaddalena, Italy. We are Newlyweds and have been married for 10 months. We have been here in JCU for 2 years now. We live in Fayetteville with our 2 dogs Lola and Felix and our cat Pepper. I work as a Mortgage Protection Agent. In our spare time we like to take our kids (Dogs) to the dog park and enjoy hiking and outdoor activities.

Congratulations and welcome to our very newest arrivals

******* JCU HAS A WEB SITE www.jcuonline.org *******

The JCU web site is a great information tool for the unit. It was primarily started up a few years ago for the Alumni members and then we added a Family Readiness Group section. We invite all current members and their spouses to register on the site. Current mem-

bers will be added to the Alumni section and can see current and past events in JCU. Current spouses will be able to see the upcoming events calendar and a host of other information pertaining to the unit. The web site is a work in progress, but we have had a lot of

intrest in it in the past few months. Please take a moment to visit the site and register if not already. Feel free to send any comments or suggestions to 1SG Spencer or Linda Haymans on ways to improve the site.

The JCU Print

Commemorating 25 years of JCU professionals

Damon Haigh was commissioned to create an original JCU Print designed to celebrate the outstanding contributions that JCU members have made since its inception. Everyone who has seen the print agrees that Damon did an incredi-
