Hello All,

I hope all is well with each of you as we roll into the Holiday season. As busy as all of our lives are and will continue to be; it is very important that we all make an effort to spend time with family and friends... to relax, unwind a little and remember what is truly important to each of us. The JCU FRG has several upcoming events that will help provide some fun filled time to relax with your family and hopefully make some new friends from around the unit. The FRG is holding a Troop Vs. Troop Beach Volleyball game at the Sonic on Yadkin Road, 6:30 pm on the 6th of November and SOCA is conducting its annual JSO 10K run / 5K fun walk on the 10 of November, so please come out and participate or cheer on the unit members as they compete. Coming up in December the JCU FRG will be sponsoring its annual children's Holiday Party and the Anniversary Party. The children's Holiday Party will be held on the 12th of December on the compound, please contact your Troop Key Caller for more details and to RSVP. The Anniversary Party is going to be held at the Embassy Suites on Lake Valley Dr. in Fayetteville on Friday, December 14th, as with the children's event, please contact the FRG coordinator / Key Callers for

more details. Finally, the FRG is your conduit into the command and it will only be as successful in the future as you make it... if you have any ideas on how to make it better, things that are being done that we need to keep doing or things that need to be discontinued, please feel free to contact me directly or if you feel more comfortable working through your Troop Key Caller that is fine as well but please let us know.

Of course life in JCU is not all about Beach Volleyball and Holiday parties; our service members and civilians are very busy doing what they do for our nation and the holiday season does not necessarily allow them to take a break. If anything they will be busier in the upcoming weeks; providing the unparalleled communication support to the CMD while trying to spend as much time with family and friends as possible. B-Troop, C-Troop, NOSC and SOROC have several training events spread throughout the next few months that will keep them very busy and of course the members of A-Troop are doing great work and upholding the Command's reputation as "DoDs Finest Communicators". I'd like to thank each and every one of you for all of your hard work; past, present and future.

~Steve

October is gone, where did it go! Although it went by like a flash, it was chock filled with events, activities, and milestones for B Troop. As we see Jason Loy off to ALC, we welcomed Chuck To back from SNCOA; and with that we congratulate him on an outstanding performance! Chuck was a distinguished honor graduate of the course and although this is a significant accomplishment it is par for the course for Chuck. Additionally, congratulations go to Chuck To (over achiever) and Jody Elkins (Finally) for completing and passing the Security + course. We also welcomed a small group back from a unique, challenging, and last minute TDY. October kicked off a long anticipated window for training. With B Troop comprised mostly of new arrivals, this allowed us the opportunity to learn and bond as a team. Apparently our Troop SGM felt additional "bonding" was needed so he decided to have us walk the "Perimeter of Pain". Needless to say,

we showed that walk whose boss! (Kinda). We wrapped up the month with a week of tactical training. Although the paint balls hurt and the driving made some of us sick, it was a great training opportunity. Although B Troop is moving forward, training hard and getting ready for the future,

we have not forgotten our brother at arms Steve Comeau and his Family. Our thoughts, prayers, and support are with you and your family Steve. We pray for your speedy recovery...we have some routers that need your TLC!

Blue Skies!!

~OT

Hello to one and all! I hope that this letter finds everyone doing well. We are beginning the home stretch to the end of the year and things are as they always are; busy. October proved to be a great month, at least for those of us during PT at 0700 in the morning. The weather was great. We also had some great success with a large portion of the troop either in

training or putting their training to good use. Brent, Brandon, Oscar, Chris, Brian and I completed our Sec+ certificates and Justin Day is the unit's newest Navy Fitness Leader. We also give a big hats off to Brent as he completed all requirements for his Naval Expeditionary Badge; something he has been working on for almost 2 years! Job well done! With our

smarts and physical training, we should be a full spectrum threat! This will serve us well as we are quickly approaching the SOCA 10K run and even more importantly, Turkey Day! I hope everyone has a good month and an enjoyable Thanksgiving.

~christian

Hello,

To all the members of D Troop and the families welcome back from block leave. I hope you enjoyed your leave and spent some valuable time with each other. I would like to say congratulations to the Duncan and Walle families on their recent family additions. Now it's back to work and as you all know the pace never slows. We congratulate Stan, Kyle, and Jason on their recent promotion to MSG (Army type). They all plan on taking a trip down to the PX and other social GI hangouts on base and try out their new rocker to really see how it feels on them. We also had CPO Thomas successfully find a way to fall out of a perfectly good airplane and enjoy some real Army training down at Ft Benning. Just when he

thought the fun was over, Stan manifested him for the unit jump the next week so he never got chance to think about terminating. We also have Sam down at Ft Benning earning his airborne wings so he can cover up those air assault wings. The troop has been focused all month on getting all of our equipment checked and ready to go. We ended the month with a good training exercise where the team put everything they have been going over the last few weeks together. So far were looking like a fine tuned automobile fresh off the lot. I hope everyone was able to get out and do some Trick or Treating on Halloween. I'm sure there are some great family photo moments and stories out there. We have Paul, Rob, and Deboris down at Ft Gordon showing the rest of the Army signal

soldiers why they are part of DOD's Finest. We had to say farewell to the Smith Family, although they didn't go far. David is over with SMT getting smarter than he already was. Amy moved just down the road from us, so we will still get to see her on occasions. We like to thank them both for all the hard work and contributions they made to the D Troop team. We also said farewell to Jason Benavidez and Tyler Reese as they moved up in the world to the NOSC. We thank them both for everything they also did for the Troop as well. We had Del Walker retire from the USAF after 21 years of faithful service and just over 12 years with DOD Finest. Del and family, thank you all for your selfless service.

~Dennis

Hello everyone!

Halloween has come and gone, tons of sugar was most likely consumed by our kids (and some adults). Thanksgiving is just around the corner. M-troop is posturing for our Annual Pot Luck Holiday Luncheon and we're all looking forward to coming together and spending quality time with our families. Kelly Larson has already e-mailed the flyer out to all the spouses but I thought I'd use this newsletter as a final reminder. The event will be held in the maintenance building on 16 November from 11:00am to 1:00pm. Please have your significant other indicate on our list here at work what you intend to bring so we don't end up with 7 hams!! Who doesn't like ham? I think there are already a couple of turkeys on the list (Fro &

Jessie). Just kidding, of course! Please come and enjoy the good food and great company (again, Fro & Jessie). We look forward to seeing you all here! If you can't cook or are afraid to showcase your culinary talents, I have a sneaky suspicion that Fro's fried chicken came from KFC last year. That said, every single piece disappeared...it's hard to complain with a mouthful of chicken.

Topher, Buxton and Drew Bowman are doing a great job forward and we wish them continued success and look forward to their return. Keep up the great work guys!

Mike Beach and Andy are headed out soon to apply their highly valued skills, which is usually Mikey watching Andy work. He calls it "supervising". You guys will be back before you know it. Good luck and we'll see you soon!

Please congratulate Brett Anderson and family on his recent well-deserved promotion to MSgt! We know he'll put the new stripes and accompanying pay raise to good use!

Congrats to Russ Pinard, Mike Larson and Todd Brown! Russ and Mike were recently awarded their EIDW pin, which symbolizes a ton of hard work and preparation. Great job, guys! Todd Brown was just selected as the Joint Communications Unit Civilian Member of the Year! A huge accomplishment considering the competition, and considering it's Todd we're talking about. I'm sure Todd will accept this award with the utmost humility. If his head gets any bigger it will have its own solar system. Seriously, Well done Todd!

Thanks to all for your hard work and commitment to excellence. Keep up the great work! Take care and stay safe.
~Mike Addaman

In October, the NOSC welcomed several new personnel to the unit. New military members include: TSgt Jason Benavides, PO1 Tyler Reese, and SSG Mike Phillips to the AIS Detachment. AIS also gained several ARMA contractors: Cody Brashears, Donnell Lawson, JR Hughes, Ken Grimes, and KC Hunt. We also would like to welcome JR Hughes' new baby boy. TSgt Jeremy Bloom redeployed from the SYSCON, successfully completing his 31st tour. Congratulations go out to several unit members who demonstrated the NOSC's prowess this past month. Al Eline earned the JCU Service Member

of the Quarter, while SSG Mike Phillips graduated ALC as an Honor Graduate. Our newest Warrant Officer completed some much needed training at Camp Slappy. The unit continued to increase its technical abilities and had several members completed training and earned certifications. Jeff Ingraham became a CCNP, while SCPO Mike Martinez, PO1 Al Eline, and TSgt Jeremy Bloom earned their CCNA's. Pete Nunnery and Leon Hamilton earned their Security Plus certifications as well. And for the second time, MSgt Mike Williams passed the CCIE Route Switch

written exam -- congrats Mike, now onto the lab.

The NOSC lost some longtime members over the past few weeks. TSgt Joe Cade moved to Jack-istan and is now part of JCU SMT. Even though he was only in the unit for a year, we said farewell to MSG James "Sponge" Lewis, who moved to another SMU. I'm sure we'll see him again very soon. Randy Amsler continues his road to recovery and has moved to HHT and Steve Alexander is recovering from much needed hip surgery.

I hope you enjoy the fall weather and don't eat too much of your kids' candy.

~Tom

We hope everyone is doing well as the winter weather rolls in. HHT continues to recruit, push paperwork and plan like nobody's business. We are welcoming PS1 (AW) Autumn E. Johnson to the ADMIN section and saying goodbye to YN1 Harold "Sham" Shamblin. MSG Bradford will be transitioning soon to a new job also. He is sitting down the hill for the next few months but will continue to take care of the unit from there until his replacement return. Thanks to the entire ADMIN section for ensuring all paperwork is straight and staying on top of all the units career needs, the pride and ownership this shop takes in the unit members is nothing short of impressive. Budget hopefully recovered this month from September and end of year closeouts. Recruiting and the Human Resources section continue to mentor the unit from down the hall. Dookie (Todd Spencer) has been extremely busy planning a 10K and "training" for another 10K. Grumpy Ken continues to be grumpy

in the S&T office but Jeff and Mary work their hardest to keep spirits up and try to spread holiday cheer to even the grumpiest of grumpys. Bruce Becherini has returned from a much needed "vacation". Hope the rays weren't too hot Bruce. Randy Amsler continues to recover and seems in high spirits. Thanks to all that have offered support and all that have supported him and his family this past year. Sean and his shop remain focused and continue to provide support to all wherever they may be. We would hope everyone who is in town can attend the Children's

Holiday party and Adult Anniversary Party in December. If you have any questions about either, please contact your unit leadership. Have a safe November and Happy Thanksgiving!

-Vanessa

The past few weeks have been a blur of activity and forecast calls for much of the same. In the midst of everything going on, SMT brought new personnel into the fold. First is Jerry Dover, he is coming back to JCU after a year PCS to Korea; prior to that, he was in M-Troop Electronic Maintenance section. He's come a long way from the workbenches of Maintenance and will be earning his RockStar status by being the DCG's RTO. Next are Joe Cade and Stephen Alexander, both coming to SMT from the NOSC. Joe and Steve are assigned to EST and are quickly learning the trade from Mark. Other goings on in the troop: Luke Blum is

a new JumpMaster, completing the USASOC JM course. A few of the guys spent some time honing their offensive/defensive driving skills, weapons handling, and hostile-contact response skills with Gryphon Group, and a few others trained on climbing sheer-rock faces at Pilot Mtn, while others did some high-altitude military free-fall training. Not only does SMT sharpen our tactical skills, but we've got guys in technical courses like Network+ and Security+. On top of tactical and technical training, we've got guys doing to PME. Jory Mathis completed ALC and Mark Krob is currently attending SLC. In SMT, as we improve our tradecraft, we apply them in various real-world and

exercise events. EC Main RTOs were doing their RockStar stuff in places like Qatar, France, Germany, Scotland, Turkey, Afghanistan, Hungary, D.C., Texas, and Florida. Josh Espersen, Noel Santiago, and Ceven Epps continue to do Great things in the AOR and abroad. SRT welcomed back Jonas from deployment and with Jason and Josh still deployed, sent the rest of their guys to support a medical exercise. CST welcomed back Mike from deployment and sent out Chad. IO has been busy doing their "magic"... not really sure what they do, but they've churned out Air Force award winners like Sean Collins and Bernard Byer. I close this entry out with EST. EST has been at times... just Mark Garcia...but, the Shark has made things happen. ~Doug

GOODBYE TO FRIENDS & FAMILY

- Amy Smith (D Troop)
- Gabe and Christy Boyer (NOSC)
- Harold and Rachel Shamblin (ADMIN)

David Smith received his well deserved BSM from MAJ Bender.

Amy Smith receives the DMSM for her time spent in JCU. Thanks Amy for all the laughs, inappropriate comments and awkward moments.

Pictures

(L) Jason "Benny" Benavides receives his Bronze Star, well deserved!

(R) Joe "serious" Cade earned a BSM also. Awesome job Joe!

(L) Jef Drew receiving his DMSM. Drew and his family are leaving in December. Good luck!

Brandon Moorehead receives the coveted Gold wings for his 10th jump! Congrats Brandon!

There is still time to run the JSO 10K. See the flyer on Page 9 for details. 1k McDonalds burritos need to get eaten!! There will also be hot chocolate and hot coffee to get you warm before and keep you warm after the race. See you there!

Pictures

(L) MSgt Brett Anderson and Capt Maddox during Brett's promotion to MSgt, CONGRATS!!

CSM Long, Mr Mike Paleaz and LTC Johnston during an LPD where Mr Paleaz spoke about the early days of JCU, thanks for your time, it was a great event!

(L) Mat Heist finally receiving his Bronze Star. He was lucky enough to have his parents attend as well, both retired SFC (ARMY).

Chris was finally in one place long enough where the CDR could award him a much earned Bronze Star. (R)

(L) Luke Blum was awarded his BSM as well. Luke also graduated from Jumpmaster school this month. Congrats Luke!

BABY NEWS

Congrats to the following parents:

- ◆ Heather and Harley Brydon had triplets on the 6th of October. All three babies are doing fine. Mom and Dad are probably alittle tired though.
Kinzlee Ann, 4 lbs 6 oz, 17" long
Adalynn Joann 4 lbs 9 oz, 17.5" long
Wyatt Joseph, 4 lbs 11 oz, 17.75" long
- ◆ Tim and Ashlyne Duncan had Quinne Marie (pictured on right) on 9 October. She weighed in at 8 lbs 2 oz and was 21" long
- ◆ Julian and Chi Walle welcomed Zane Vu on the 9th as well. He weighed in at 7 lbs 6 oz and was 20.5" long
- ◆ Mr and Mrs JR Hughes had a baby boy on 16 November. He weighed in at 7 lbs 2 oz. Mom and baby are doing fine
- ◆ Donnell and Shanna Lawson gave birth to Shiloh Denise on 31 October. She weighed in at 6 lbs 7 oz.
- ◆ Mallory and Phil Mistretta had their baby, Liam James, on 3 November. He weighed in at 8 lbs 12 oz, 22.5" long (wow). Mom and baby are doing fine.

The unit has already broken the record of babies they've had this year. Too many deployment returns? Not sure but we have 2 more on the way that I know of that are due this year. Current JCUAC members receive a gift card, certificate and onesie (seen above on Miss Quinne). If I have missed you for some reason, let me know. Please send your baby pics to moakv@jdi.socom.mil
